

BANYAN TREE SPA PHOENIX SEAGAIA RESORT

Sanctuary for the Senses

Banyan Tree Spas take a holistic approach to physical and spiritual well-being, providing a sanctuary for the senses. Drawing on Asian traditions that date back centuries, our intimate retreats blend romance and serenity with exotic sensuality. The architecture of our intimate spa draws upon local inspiration to blend seamlessly with the beauty of the natural environment. Our massage treatments are based on evolving techniques that have passed through the hands of many generations. Our health and beauty remedies make use of aromatic oils, herbs and spices with ancient healing powers. Under the intuitive touch of our therapists, simple sensory pleasures are reawakened, completing the experience that defines the Banyan Tree Spa.

Sense of Serenity: Calm your mind and draw in the peacefulness of your surroundings. Allow our therapist to offer you a soothing foot bath, herbal drink and a few minutes to leave the cares of the world behind. All Banyan Tree sessions include a complimentary 30-minute calm time on us. Enjoy the difference.

THE FIVE ELEMENTS

Earth

Representing the state of optimum balance, Earth sits at the centre, regulating and nourishing the Five Elements. It is the pivot of the cycle as it symbolises the season of late Summer when the Yang energies of Spring and Summer transforms into the Yin energies of Autumn and Winter.

Earth Oil

A sensual and soothing oil that promotes balance, reduces muscular aches, relieves anxiety and also serves as an aphrodisiac. Key ingredients include Sandalwood, Jasmine and Clary Sage.

Gold

Representing the state of Purification and Consolidation, where the energies are purified and conserved for the impending winter. Gold sits in the West and symbolises wealth and prosperity. Characterised by radiance and its essence, Autumn is the season linked with Gold.

Gold Oil

A revitalising and refreshing oil that calms, purifies and restores the mind and body while enhancing inner spirituality. Key ingredients include Patchouli, Frankincense and Camphor.

Water

Associated with Winter and extreme Yin, Water is positioned North among the Five Elements. Characterised by the season of rest and stillness, Water Element is meditative and gentle. In Feng Shui, Water element is widely used to promote wealth and good luck and its colour is represented by black.

Water Oil

A rejuvenating and sedative oil that improves energy flow, stimulates the lymphatic system, treats skin problems and soothes nervous tension. Key ingredients include Geranium, Rosemary and Cypress.

THE FIVE ELEMENTS

Wood

Expressed as the season of Spring, where new life begins and hibernation ends, Wood is the start of the Yang energy. Seated East among the Five Elements, it is characterised by growth and renewal. Green is the colour used to represent Wood.

Wood Oil

An uplifting and energising oil that warms and purifies the body and promotes overall well being. Key ingredients include Cedarwood, Sandalwood and Benzoin.

Fire

The strongest Yang energy in the Five Elements, Fire is associated with vitality and hot summer. It is the most energetic of the Elements and Yin is used to counter the excessive heat. Situated South among the Five Elements, it is represented by the colour red.

Fire Oil

A stimulating and spicy oil that sets off your fiery passion and promotes strength. Key ingredients include Ginger, Black Pepper and Cassia.

Note: Vitamin E is used in all the above oils and helps to protect your skin from damage by pollutants, prolong the lifespan of human cells and is an excellent weapon against premature aging and wrinkles.
